

## Fundraise for RIDBC - Ideas

**By joining Team RIDBC or organising your own event to raise funds for RIDBC, you are helping us to ensure that no person with vision or hearing impairment gets left behind!**

Your support will enable RIDBC to work with thousands of children across Australia to provide a wide range of education and specialist services; ensuring children who have vision or hearing loss have the very best opportunities in life and have the tools to achieve their dreams.

You can easily help with any one of these ideas or sign up and join in an already existing event in your local area. If you already attend or hold events throughout the year socially or through your workplace, you can add on a fundraising element to it.

**Don't forget, we will support you every step of the way.**

Here are a few ideas:

- Sign up for a challenge event through GoFundraise or Everyday Hero in your local area like the City2Surf
- Host a 'Mufti Day' at work
- Put on a Morning or Afternoon Tea and teach your friends Auslan
- In Celebration – collect donations instead of gifts
- Host a Fundraising Lunch
- Organise a stall day or garage sale
- Put on a Trivia or Movie Night
- Coin collection boxes at your workplace
- For Christmas, collect donations for your Christmas Lights Display or Gift Wrapping skills

After you have chosen your fundraising event, all you need to do now is:

1. Let us know. Give us a call or email us and we will send you the registration form
2. Read through the guidelines and register your event
3. Read through your fundraising guide, and choose your event date
4. Start promoting and fundraising

For any questions, or to talk through your ideas, or if you would like more information, For more information, contact:
