

## RIDBC Alternative Format Publications

RIDBC Alternative Format Publications service assists people who need to access printed materials in their choice of alternative format. RIDBC pioneered the production of computerised braille in Australia and has over 30 years of expertise and knowledge in alternative format publications.

### **A range of subject matter and print materials are produced in:**

- Braille
- Large print
- Accessible e-text
- EPUB; and
- 3D and 2D tactile material.

### **Using stringent guidelines and quality control measures, the highly experienced team at RIDBC creates the following:**

- Educational support: books, exam papers, standardised assessments
- Early learning support: book packs for pre-school literacy in braille, large print and dual media (large print and braille with tactiles)
- Commercial support: menus, newsletters, AGM documents, manuals, conference documents, certificates, greeting cards
- Tertiary material support for university students
- Individualised personal support for NDIS clients

**Royal Institute for  
Deaf and Blind Children**

## Features include:

---

- Digital production and storage of alternative format
- High quality proofread materials provided at competitive rates
- Wide range of materials produced in braille, large print and text; and
- Children's school textbooks are a speciality.

## Who is the service for?

---

RIDBC Alternative Format Publications are available to individuals, community groups, schools or organisations that require material in braille, large print, accessible E-text and 3D/2D tactile graphics.
